Journal of Comparative Physiology A

Sensory, Neural, and Behavioral Physiology

Volume 170 1992

Founded in 1924 by K. von Frisch and A. Kühn, Volumes 1–29 (1934) under the title "Zeitschrift für wissenschaftliche Biologie, Abt. C: Zeitschrift für vergleichende Physiologie". Volumes 30–76 (1972) published as "Zeitschrift für vergleichende Physiologie". Volumes 77–92 (1974) published under the title "Journal of Comparative Physiology". Beginning with Volume 93 (1974) called "Journal of Comparative Physiology A · Sensory, Neural, and Behavioral Physiology / B · Metabolic and Transport Functions". Beginning with Volume 123 (1978) Section B called "Biochemical, Systemic, and Environmental Physiology". Beginning with Volume 154 (1984), this journal was divided into two separate journals, A and B.

Editorial Board

H. Autrum, München
F.G. Barth, Wien
W. Heiligenberg, La Jolla, CA
J.G. Hildebrand, Tucson, AZ
G. Neuweiler, München

Advisory Board

H. Atwood, Toronto
J.A. Coles, Bordeaux
S. Daan, Haren
F. Delcomyn, Urbana, IL
R. DeVoe, Bloomington, IN
R. Hardie, Cambridge
F. Huber, Seewiesen
M. Konishi, Pasadena, CA
M.F. Land, Brighton
S. Laughlin, Cambridge
H.C. Lüttgau, Bochum
H. Markl, Konstanz
A. Michelsen, Odense
W.R.A. Muntz, Clayton (Melbourne)
C.H. Page, Piscataway, NJ
F. Papi, Pisa
J.D. Pettigrew, St. Lucia (Brisbane)
C.L. Prosser, Urbana, IL
J.D. Pye, London
H.F. Rowell, Basel
D.G. Stavenga, Groningen
N.J. Strausfeld, Tucson, AZ
U. Thurm, Münster
R. Wehner, Zürich
F. Yokohari, Fukuoka

Copyright

Submission of a manuscript implies: that the work described has not been published before (except in the form of an abstract or as part of a published lecture, review, or thesis); that it is not under consideration for publication elsewhere; that its publication has been approved by all coauthors, if any, as well as by the responsible authorities at the institute where the work has been carried out; that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of the copyright to the publisher, and that the manuscript will not be published elsewhere in any language without the consent of the copyright holders.

All articles published in this journal are protected by copyright, which covers the exclusive rights to reproduce and distribute the article (e.g., as offprints), as well as all translation rights. No material published in this journal may be reproduced photographically or stored on microfilm, in electronic data bases, video disks, etc., without first obtaining written permission from the publisher.

The use of general descriptive names, trade names, trademarks, etc., in this publication, even if not specifically identified, does not imply that these names are not protected by the relevant laws and regulations.

While the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the authors, the editors, nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special regulations for photocopies in the USA

Photocopies may be made for personal or in-house use beyond the limitations stipulated under Section 107 or 108 of U.S. Copyright Law, provided a fee is paid. This fee is US $ 0.20 per page per copy, plus a basic fee of US $2.00 per article. All fees should be paid to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 0340-7594, the volume, and the first and last page numbers of each article copied. The copyright owner's consent does not include copying for general distribution, promotion, new works, or resale. In these cases, specific written permission must first be obtained from the publisher.
